

Boiler / Mechanical Room Solutions

Good

CO Detector Only

- Standalone CO
- Meets Code
- Reset button is on the device

Better

CO Detector + GBC Controller

- Added flexibility for controller placement
- Reset button on controller, buzzer, & status lights

Best

CO & LEL Detector + GBC Controller, & Horn/Strobe

- CO & LEL Detection
- Remote audible/visual alarm
- Emergency power off

* LEL = Combustible Gases (NG, LPG and H2)
